

Targeted Case Management Fact Sheet

PROGRAM OVERVIEW

Pursuant to Welfare and Institutions Code, Section 14132.44, Targeted Case Management (TCM) became a covered Medi-Cal benefit effective January 1, 1995. TCM consists of case management services that assist Medi-Cal eligible individuals within a specified targeted population to gain access to needed medical, social, educational and other services.

GOAL

Ensure that the changing needs of Medi-Cal eligible persons are addressed on an ongoing basis and appropriate choices are provided among the widest array of options for meeting those needs.

TARGET POPULATIONS

Six distinct target populations that may receive case management services:

- | | |
|--------------------|-----------------------|
| 1. Public Health | 4. Outpatient Clinics |
| 2. Public Guardian | 5. Linkages |
| 3. Adult Probation | 6. Community |

SERVICE COMPONENTS

The California State Plan is a comprehensive document describing the nature and scope of TCM services. These services include the following:

- | | |
|----------------------------|------------------------------------|
| • Documented Assessment | • Assistance in Accessing Services |
| • Service Plan Development | • Periodic Review |
| • Linkage and Consultation | • Crisis Assistance Planning |

WHO BENEFITS

- | | |
|-------------------------------------------------------------------------|------------------------------------------|
| • High-risk persons | • Persons abusing alcohol or drugs |
| • Persons who have language or other comprehension barriers | • Adults at risk of institutionalization |
| • Persons on probation | • Adults at risk of abuse or neglect |
| • Persons who have exhibited an inability to handle personal or medical | |

WHO PROVIDES SERVICES

Providers of TCM services are limited to Local Governmental Agencies (counties and chartered cities) under contract with the Department of Health Services, as identified in the California State Plan.

FUNDING

The TCM program is funded with a combination of local and federal Title XIX (Medicaid) funds.
